

569 VALLEY, GRANBY, MO, 64844

<https://kwelevate.org>

This former tire shop offers excellent visibility and access in a high-traffic location. The building features five overhead doors along the front (four measuring 12' x 12' and one oversized at 14' x 12'). Ideal for automotive or service-related uses. Skylights along the ceiling provide natural light throughout the workspace, which includes durable concrete flooring [...]
